Congratulations! your friend's name here

You are about to enter a new experience of color for your home or office.

We will be selecting new color for all of your interior or exterior needs. This consult can include: Paint color, integral color for stucco and plaster, as well as masonry, tile, carpet or window covering selection.

Call me as soon as you receive this special gift so we can set up a color appointment at your convenience and talk a little about how our time together will work. Please feel free to visit my website before you call for your appointment.
